Bay 2

## RIFLE - 16 ROUNDS

**START:** Standing behind left fence, rifle loaded with 10 rounds held port arms.

**ON SIGNAL:** With rifle double tap R-1 thru R-5. Taking rifle with you move to right fence and behind cover reload 6 rounds and sweep P-6 thru P-8 twice, no double taps, through window.

*(You may load Hammer down on an fired round or empty chamber on the move so long as you watch the 170 while moving with rifle )*
