

March 2010 Match

I wanted to thank everyone for showing up to the match this month. We had a total of 76 shooters. Wow! That is great! I believe everyone had a good time. I know I did!

I also wanted to thank everyone who helped set up the match. You all did a great job. I appreciate it very much. I would not be able to do all that is needed without your help. You all know who you are that helped. Again thanks!!

I also wanted to let everyone know I made a few mistakes on the scoring. I failed to put some bonus points in for some of the shooters. When this was pointed out to me I went over the scores again and found the errors I had made.

The errors were corrected and the scores posted are now the correct. This changed a few of the places overall and in one category. So take a look and see if this made in change in your place.

I am very sorry for the mistakes in the scoring. In the future not only will I check the entries I make twice, but I will be sure to have someone also check the entries so this does not happen again. I cannot promise it won't, but I will be sure to do my darndest to make sure it does not.

I hope to see everyone at the match in April.

Thanks,

Bullseye Bucky
