UNLOAD

10-PISTOL 9-RIFLE 4+- SHOTGUN

Staging Two pistols loaded with 5 rounds each and holstered. Rifle loaded with 9 rounds staged on the table at position 1. Shotgun staged in the window at position 4 with at least 4 shells on your person.

Start Standing at position 1 at least one foot behind table, with hands crossed at chest.

On Signal With rifle engage R1 thru R3 with a continuous Nevada sweep. Make rifle safe on table at position 1 or 3. Move to position 3 and with one foot behind table with first pistol engage P1 thru P3 in a continuous Nevada sweep, holster. Move to the window, position 4, and with second pistol engage P1 thru P3 in a continuous Nevada sweep through window, holster. Both sweeps start on P1. With shotgun engage S1 and S2 through window in that order. Move to position 5, with at least one foot outside of table and engage S3 and S4 in that order. You may load on move as long as the action stays open while moving.

Only gunfighters may have both pistols out at the same time.
